Advanced Masters in Structural Analysis of Monuments
and Historical Constructions

Students' evaluation of the programme

- ☐ Global evaluation (max. 4)
 - ☐ Courses : 3.5 | 3.0 | 3.2 | 3.0 | 3.6 | 3.1 | 3.4
- ☐ Excellent results

Advanced Masters in Structural Analysis of Monuments
and Historical Constructions

In a nut shell

- ☐ Agreement between partners up to 2026/27 (UPC 2025/6). UPC must be handled asap
- ☐ Continue SA5 book. It is unfortunately too slow
- ☐ Students:
 - ☐ 5 European + 7 Non-European
 - ☐ 4 UMinho, 2 CTU, 2 UNIPD, 4 UPC
 - ☐ Male 5 / Female 7
- ☐ We are well under our 20 students' minimum target. Dissemination efforts through digital channels have significantly increased in recent application calls.
- ☐ Application to the EMJM-Design was negative
- ☐ Good European and gender balance
- ☐ Any other matters?

Expectations for present academic year and future

- ☐ SAHC course accreditation renewal in CTU for the next 10 years in October 2024
- ☐ SAHC course accreditation renewal in UMinho in progress
- ☐ SAHC course accreditation renewal in UPC in process
- ☐ Continue SA5 book. It is expected to be completed in 2025
- ☐ This year we have 17 students, which is very positive.
- ☐ Application to the EMJM-Design will be made again
- ☐ Any other matters?
