NEW FEATURES 2020-2021

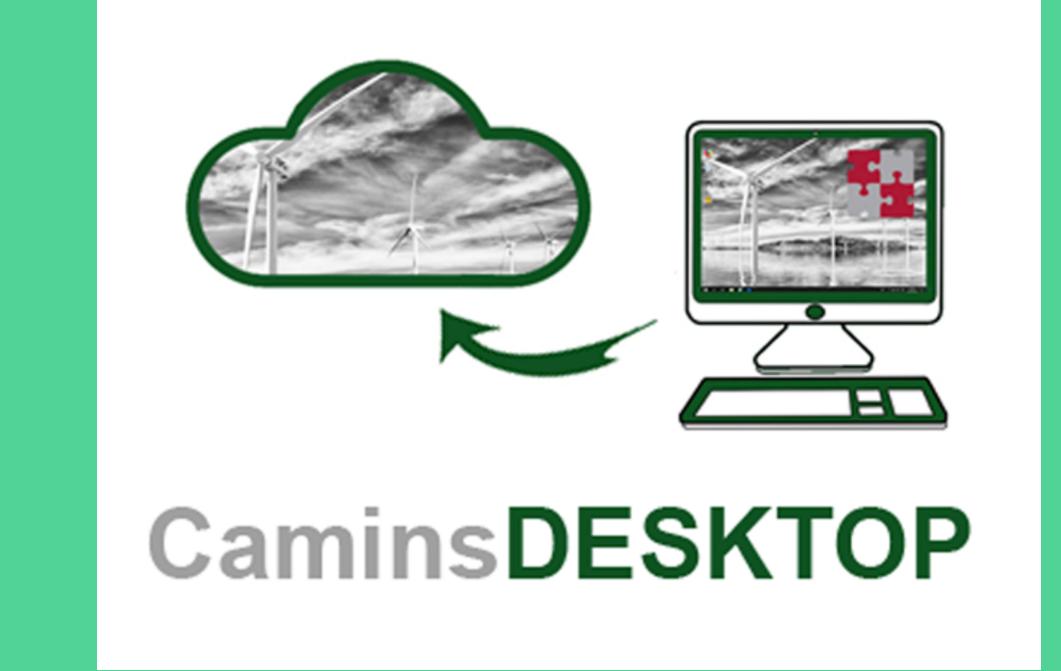

As long as the approved extraordinary measures are in force, there will be no free-access rooms available.

Measures in force in the computer rooms:

- Computer rooms will be solely used for teaching purposes.
- The use of face masks is mandatory.
- Each PC can only be used by one student at a time.
- All rooms will be provided with sanitizing liquid sprays and paper towel dispensers so that students may clean and disinfect their workstation, keyboard and mouse.
- All computer rooms will have a waste bin to diposit the paper towels used to clean the stations.

You may use the teaching software in your own devices or at home by means of:

RESOURCES IN THE COMPUTER ROOMS

Teaching software: necessary for on-line teaching activities and available at:
