DOUBLE DEGREE IN NUMERICAL METHODS IN ENGINEERING LINE COMPUTATIONAL MECHANICS

APPLICATION DOCUMENTS. Checklist

Note: all documents must be submitted in PDF format (word, jpg, photos... are not accepted)

1) Bachelor's degree

☐ Photocopy of the Diploma (or diploma receipt/certificate if it is pending of issuance). Admission is conditional if you have not completed your studies. You must have a bachelor's degree to enroll.

2) Transcript of records

☐ Photocopy of the transcript of records listing the subjects taken, the marks earned, the number of credits/hours of each one and the Grade Point Average (GPA)

3) ID document

☐ Photocopy of the Identity document (DNI, NIE, Passport)

4) Statement of the bachelor's degree final grade average (only for Non-Spanish Universities studies). **Note: Please see the instructions to obtain the statement on *this document (click here)*.**

☐ Photocopy of the statement of the final grade average **signed** (by hand or digitally) **and dated** in section "*9. Declaración responsable*" (Responsible Statement). Without signature the document is invalid.

5) Currículum Vitae

☐ Open-format

6) English level certificate

☐ Photocopy of **IELTS Academic test** (www.ielts.org) or **TOEFL** Internet-based test, iBT (www.toefl.org). These are the only English tests accepted by all partner universities. For IELTS is required an overall band score of at least 6.5, with no section lower than 5,5. For TOEFL a minimum score of 79.

7) Motivation letter

☐ Open-format

8) Recommendation letters

☐ Open-format. Minimum two letters.
